9 March 2026

Hello MHA Families,

Our Sponsorship program for 2026 – 27 season is kicking off soon! MHA wanted to communicate some guidance around sponsorship funds and the application of these funds prior to obtaining sponsors for the new season. Our sponsorship program has grown substantially so we want to make sure that the proper guidance is communicated to all!

- Sponsorships received will be allocated 10% to MHA, no more than 50% to the individual account not to exceed current season fees, and 40% to the team account.
- Any sponsorship in excess of current season fees will be allocated to the team account.
- Any sponsorship money not used in current season will be rolled into the MHA account at the end of the season (31 March of concluding season) and cannot be rolled over to subsequent seasons.
- Employer matches will only be certified on sponsorship from individuals that were applied as outlined in the above guidelines.
- Team fundraiser money may not be used as certifying funds for employer match.
- MHA reserves the right to clarify with sponsors the MHA fund application process.
- MHA will not refund any sponsorship money in excess of fees collected to individuals.
- MHA reserves the right to refuse any member the benefit of the MHA sponsorship program benefit if misuse is suspected.
- Sponsorships written as a personal sponsorship from a member will not be allocated to offset personal fees. Only company sponsorships can be applied to personal account balances when the personal/team split option is selected on the sponsorship form by the sponsoring company. In the event we receive a personal sponsorship from a member, it will be allocated 10% MHA and 90% team.
- When team funds are being used to cover team travel expenses, hotels, etc. that are reimbursed to members, the reimbursement process must be completed. Receipts must be provided for MHA records. After approval of reimbursement, reimbursement can be applied in the form of a check or credit to personal account.
- Sponsorship process must be used to qualify for sponsorship program. The sponsorship form must be filled out completely and provided with payment to the treasurer. MHA is responsible for tracking sponsorship money received.

Please refer to our sponsorship form for sponsorship opportunities!

Sincerely,

Hillarey Young
President – Morgantown Hockey Association
