VP Report
None

Treasurer Report
Gave a report. Discussion about success of fundraisers, importance of budgeting for future spending.

Registrar Report
2 kids approved for scholarships. Bantams registration is very low.

Advertisement Manager
Last year we had 31 big signs, 22 small signs - brought in $14,600. We will keep current pricing for this year. Rian will send the letters out.

Tournament Director
Natasha sent an update to Willow about current tournament registrations and payments.

Referee Representative
Discussion about getting more refs.

This led to a discussion about keeping costs low and keeping kids interested and encouraging new kids to sign up. Discussion about the gear swap and how we can keep gear in our association.

Rink Manager Update
Austin says we need rope for the shades and carabiners. Robert requested $3k for motor parts and repair requested. Austin will put together a list for now until Dec. Discussion about items needed to maintain the rink including a lift to work on the shades, snow removal equipment, and a way to clean the rink. We need a cash drawer lock and need to rekey the snack shack.

Motion made, seconded, passed to spend up to $4500 on motor parts and repair for motor compressors.

Chris requested a paid position doing ice management. His proposed role would included building ice, maintaining 1.5" ice surface on a weekly basis, removal/clean up of ice/paint. It would probably take 0-6 hours a week of work. Austin is on board with the idea.

Motion made, seconded, passed to hire Chris Oldham as Ice Man[ager], paid at same rate as Austin.

MAHA update – Mueller and Murphy
No real update but something will likely change in our tournament schedule for the Peewees.
