WHAT WE OVERSEE

OUR CORE PROGRAM IS PRACTICES AND GAMES

Practices, games and team-sponsored activities

This is our purview as coaches. We are committed to a positive, safe and great hockey experience every time the team is together, and that is what we will oversee.

Outside activities

Anything beyond practices and games is not endorsed or planned by the coaching staff, and there is no expectation of attendance.

We receive the list of players after registration. If you are a student of Centennial or Spring Lake Park High School, you are an equal participant in this program.

Skill and hockey IQ

Deployed into the proper roles.

Energy, attitude, effort

A big emphasis, every day.

No captains

Everyone listens to the coaches. Everyone leads.

WHEN WE ARE TOGETHER

COMPETITIVE SUCCESS AND TEAM CULTURE

This is a group of high-level, talented hockey players

Have fun, and remember the purpose when we get together. Practices, games and team events are not a social club.

We are preparing players for the next level

At the next level you absolutely need to function within a team. Working with teammates and coaches is paramount.

WHAT TO BRING, EVERY TIME

Effort. A good attitude. A willingness to be coached. Make your teammates better, and help the team.

BUILT INTO THE SEASON
