- **Locker room policy -**
    - The Policy states that at least one responsible, screened, trained adult (18 years or older; such as a coach, manager, or other pre-approved volunteer) must be present and actively always monitoring the locker room during team events. The said monitor is responsible for ensuring that only authorized individuals-such as coaches and players-are permitted in the locker room.

    - Absolutely no use of cell phones in the locker rooms
        - Phones must either be left in the car / at home / or shut off and in the phone pocket at the door
        - Failure to do so will result in your locker room door being removed and you will have to pack your bags every night!
        - No one wants that!
- **Stick and puck**
    - If you sneak on stick and puck without paying you will be banned from the facility for 2 weeks. No matter if there is a game
