

## Team Wyoming Letter of Intent

We, the undersigned player and parents/legal guardians of said player, by executing this Letter of Intent, agree to the following terms and conditions.

### Commitment

We agree to participate with the Team Wyoming team listed above for the entirety of the current season. Participation on any other non-WAHL hockey team during the current season may only be allowed with prior approval of Team Wyoming Committee. We assume all financial responsibility for the current season as listed below.

**Team Costs:** We understand that season team costs will be divided equally among all rostered players. We understand and accept that if the above-named player does not participate due to behavior issues, Code of Conduct violations, and/or Discipline Committee suspensions, if a player sits out due to refusal to participate, or quits the team, we remain fully responsible to satisfy the agreed upon financial obligations for the current season. Failure to pay Team Wyoming team costs will result in the player being placed in bad standing with WAHA and said player will not be able to play at local level or with other teams until balance is paid.

We understand and accept that our player will be expected to wear approved Team Wyoming uniforms, and we are responsible for uniform and warm-ups costs.

We understand we are expected to attend all practices and games to help the team develop. We understand that we are responsible for our share of team costs for all practices, games and team events, even if we do not attend. We also understand that we could be charged an additional \$100 for each season tournament not attended, and \$250 if we do not compete with the team at USA Hockey Nationals if qualified. (14U and up.)

We understand that expenses for teams with non-parent coaches will be higher as those coaches receive travel reimbursements per WAHA policy.

We understand all team fees and processing fees will be charged by credit card or banking account within Crossbar. This will be done with an installment plan set up during the acceptance of an offer. By signing below, Player and Player's parent/guardian hereby acknowledge that the \$500 deposit collected during tryout registration is nonrefundable for any reason. We further understand that any additional fees assessed at the end of the season must be paid in full within 30 days of the date of assessment and that if there are any unpaid fees after that date, our player will be ineligible to register for the next season until the past-due fees are paid, and our player will be reported to WAHA as not in good standing until all past-due fees are paid.
