

## **Wisconsin Swing Fall AAU Season**

**9u-14u:**

**What is it:** Wisconsin Swing is excited to add a Fall AAU season for Boys in ages 9u-14u. The season will run late August through Mid-November, to allow boys to be done with it ahead of their school travel ball season. Fall season will mirror spring/summer AAU youth season. Including:

- 5-7 Tournaments per team (Mostly 1 day)
- 1-2 practices a week (Wednesday's and Weekends you don't play)

**Where are the tournaments:** Tournaments will be in the following locations, schedules will be completed after teams are formed:

- Madison, Wisconsin
- Milwaukee, Wisconsin
- Pleasant Prairie, Wisconsin
- Waukeegan, Illinois
- Aurora, Illinois
- Schaumburg, Illinois
- Dubuque, Iowa
- Quad Cities, Iowa

These are examples of locations of tournaments, there may be more, but tournaments are held in these venues for sure. Typically 1 day Saturday events with 3 games. There may be an occasional Saturday-Sunday event.

**Who is Coaching:** Swing will provide coaches. Whenever possible we will use experienced high school and middle school coaches to coach our fall teams. In absence of that, we will find experienced former players, or an experienced parent coach.

**How Many Teams Per age?** We hope to have at least 2 teams per age for Fall Swing AAU. We may have more if numbers/talent justify.

**What is the Purpose of Fall AAU:**

- To provide a bridge between Spring/Summer AAU and School Travel Season
- To provide another vehicle for skill development
- To provide a vehicle for competition and intensity
- To create lifelong friendships and memories
- To provide a fun experience for 9u-14u athletes

**Why Wisconsin Swing?** As fall AAU options become more prevalent in the state and nearby states, why is Wisconsin Swing the correct choice:

- Swing is completing our 20th season of competition in 2025.
  - We provide consistent teams at National and Regional Levels yearly
  - Swing has proven results of developing players into great high school players and many into players who have a shot to play in college.
  - Swing provides qualified coaches whose goal is to help EVERY kid get better.
  - Swing plays in well run events, against the best teams in Wisconsin/Chicagoland/etc. See where you stack up!! You get better playing against good players

**How Do I get Evaluated for the Team:** Swing holds tryouts yearly, there will be multiple tryouts for Fall Swing Teams. Fee is \$25 to tryout, and that fee is a one time cost for all tryouts. **We have announced 1 tryout so far, we will have a July Tryout.**
