**VOTING**

Ken Picariello voted in as VP Operations – Darcie has decided to step down to better align with Mae's vision of having a coach on the executive board

- Reviewed Survey that was emailed out to all DYH families on what we are doing well and what we can improve on. Received about a 20% response back from league.
- Homecoming wrap-up- did not have a great turnout at games this year a lot of the games were spaced out, and we did not get a great response at sign making. Managers need to do a better job next year.
- Executive Board update- Ken has taken Darcie's role of VP of Operations as the board thinks it is best to have a coach on the board working with the coaches and the program.
- New Practice schedules will be updated in crossbar by the weekend

**Voted & Accepted by Albie, Ray, and Cara**

**VP Operation Report**

- Coaches Meeting will be scheduled for December
