Dear SAS Families,

As many of you know, Selena and I will not be returning to Summit Academy Sports for the 2025–26 school year. Our family is moving to Austria for 1–2 years. YES, FOR HOCKEY!!! While we're excited for the journey ahead, leaving SAS is bittersweet.

In my role as Academic Director, it's been a true privilege to work with your children and get to know so many of you personally. Over the past few years, I've learned so much about sports, athletes, and what drives them. Whether I've known your child for one year or several, I've watched them grow into confident, capable young people. It's been an honor to help shape the SAS program into what it is today, and I'm so proud of how far we've come. I'm excited to see Summit Academy Sports continue to thrive for years to come.

Selena has been a student at Summit for three years. She absolutely loves both the athletic and academic programs, and she's even managed to tolerate having me at school with her! Coaches Matt, Steve, and Brady have played a major role in her hockey development, and the incredible teaching staff has challenged and supported her every step of the way. Because of these amazing people, her dad and I feel confident that she's ready for whatever lies ahead.

After much thought, Selena has decided to attend Okanagan Europe in Austria next year and will be playing for the St. Pölten Sabres, in the European Women's Hockey League. It wasn't an easy decision, but she's excited and ready for this next chapter.

Thank you all for being such a meaningful part of our journey. We'll carry our SAS memories with us always. For now, my cell number will be the same 720-771-7540

BACK-TO-SCHOOL AUGUST 2025

Ms. Shannon will be around to help with back to school in August and staffing changes will be minimal. Coach Steve and Coach Brady will continue in their roles at the Blue Sport Stable, and the majority of our teachers will remain the same. Summit Academy is actively engaged in the school's hiring process and is considering some great candidates. We look forward to introducing a new team member to the Summit Academy Sports family soon!

Thank You

Thank you to our student-athletes, families, and teachers for a fantastic school year! We're excited to celebrate our largest graduating class yet and to welcome back a record number of returning students for the 2025–26 school year.
