

ABOUT US

Summit Academy is committed to creating a supportive learning environment for students and a positive workplace for employees. It fosters respect and kindness, promoting academic success and character development. The full-time program for grades 6-12 offers rigorous in-person classes taught by certified teachers, exceeding Colorado State Standards and meeting NCAA eligibility. Students benefit from participating in field trips, community service, and events like dances. Tailored for competitive athletes, the program provides flexible schedules and personalized guidance, helping graduates gain admission to prestigious universities.
