

**ALTOONA YOUTH HOCKEY ASSOCIATION
1ST ANNUAL GOLF OUTING**

SPONSORSHIP OPPORTUNITIES • AUGUST 21, 2026 • LAKE WISSOTA GOLF & EVENTS

HELP US BUILD THE FUTURE OF ALTOONA YOUTH HOCKEY

For generations, our local ice arena has been more than just a rink—it has been a place where young athletes learn teamwork, build confidence, develop lifelong friendships, and create memories that last forever.

As our facility continues to age, significant capital improvements are needed to ensure it remains a safe, reliable, and sustainable home for youth hockey in our community. Funds raised through the AYHA 1st Annual Golf Outing will directly support critical arena projects, including compressor upgrades, mechanical system improvements, and other infrastructure investments that keep our rink operating for years to come.

We invite local businesses, community partners, families, and hockey supporters to join us in this important effort. Your sponsorship is more than support for a golf outing—it is an investment in the future of hundreds of young athletes who call our rink home.

Together, we can preserve and strengthen a community asset that continues to impact young lives both on and off the ice.

Thank you for helping us keep hockey thriving in Altoona.
