

DHS 2026 Summer Off-ice Training Guide

Pick 3 from each category (stickhandling, shooting & cardio) per training session

Record your progress in the log

Logs are due every Friday at Run the Hill

For questions, please contact Coach Will at wdodge@acvf.com or (847)910-7510

Stickhandling Drills

Beginner Stickhandling Drills

1. Stationary Horizontal Figure 8's
 - Stickhandle around 2 cones in figure 8 pattern
 1. 30 seconds x 3 sets forehand
 2. 30 seconds x 3 sets backhand
2. Narrow to Wide
 - Stickhandle side to side as far as your reach allows
 - Stay low in hockey stance.
 1. 5 pulls to forehand x 3 sets
 2. 5 pulls to backhand x 3 sets
3. 5 Point Toe Drag
 - Pull the ball in with toe of the blade, push forward again.
 1. Over and back x 5 sets
4. Tennis Ball Stickhandling
 - Stickhandle tennis ball rapidly without losing control.
 - Start slow and build up speed
 - Should be quiet
 1. 45 seconds x 3 sets
5. Puck Juggling
 - 100 Forehand (Track longest continuous streak)
 - 100 Backhand (Track longest continuous streak)
 - 50 Forehand/Backhand Transitions (Track longest continuous streak)
 - 50 Up and Slams

Intermediate Stickhandling Drills

5. Obstacle Stickhandling
 - Set up cones, pucks, shoes, or water bottles.
 - Navigate around each object using tight control and change in speed
6. Pull Backs
 - Start with puck on side, fake shot, pull away from defender
 - Simulate offensive zone rush
 - 15 reps per forehand and backhand
7. Stickhandling While Moving (walking through cones)
 - Weave through cones x 3 sets
 - Circle around cones x 3 sets

- Toe drag cones x 3 sets
- 8. **Stickhandling and Shuffle**
 - Side-to-side movements over obstacles
 - Keep head up
 - 45 seconds x 3 sets

Advanced Stickhandling Drills

- 9. **Creative 2 Puck**
 - Similar to stationary figure 8
 - Get creative and move ball/puck around obstacles with different moves
 - 30 seconds x 3 sets
- 10. **4 Puck Around the World**
 - Around each obstacle down and back
 - Down and back x 5 sets
 - Head up
- 11. **Two-Ball Control**
 - Use one stick to control two balls simultaneously
 - 45 seconds x 3 sets
- 12. **Creative 6 Puck**
 - Use reach to stickhandle around objects spread in circle
 - Quick stickhandles in middle between reaches
 - 45 seconds x 3 sets

Off-Ice Shooting Drills

Accuracy + Shot Volume

- 1. **Target Shooting**
 - Create targets in corners and five-hole
 - 20 shots per zone, track hit percentage
- 2. **"Beat the Clock" Shooting**
 - Same drill as above
 - Choose one target
 - Set timer for 60 seconds
 - Record number of hits on last page

Quick Release & Mobility Drills

- 3. **Release While Moving**
 - Walk up to puck, pull and shoot
 - No stopping to stickhandle
 - 10 shots per target
- 4. **Short or Long Pull and Shoot**
 - Pull puck short or long around object, quick release. Emphasis on changing shot location
 - 5 shots per target location
- 5. **One Foot Quick Release**
 - One foot on bucket or chair
 - Quick release forward, do not pull back
 - 25 shots per leg

Deception & Change of Angle Drills

6. Fake & Shoot
 - Pump fake to one side (head, shoulder, or stick), shoot opposite.
 - Reinforces game-like deception.
7. Around Object + Release
 - Stickhandle around cone or object
 - 5 shots per target
8. Obstacle course + Release
 - Same as above but add more obstacles in your way and move while stickhandling
 - Get creative
 - 5 shots per target

Hockey-focused Cardio/Plyo Exercises

1. Bodyweight Squats
 - Can add weight over time
 - Don't go too heavy, focus on more reps
2. Forward lunges
 - Can add weight over time
3. Reverse Lunges
 - Can add weight over time
4. Wall sits
 - Can add variations (arms out, arms up, holding weight, twisting)
5. Mountain Climbers
6. Jump Squats
7. Lateral Skater Jumps
8. Sprint Ladder/Shuttle Runs
9. Stick Jumps
 - Work each leg separately, then together
10. Burpees
11. Tuck Jump
 - Can go into sprint
12. Bike Ride
13. Jog
 - Can use sprint interval training (jog, sprint, jog, sprint, etc...)
