What is your relationship with AHA? (coach, parent, children/divisions, current board member, etc)

Parent

Have you sat on any other Non-Profit boards? If so, what positions have you held/which boards?

No

What kind of time per week can you allocate to AHA?

3-4hours

AHA's current call to action is that "Hockey is for Everyone". How do you believe that you can support that mission and make it tangible for all families?

I plan to help accomplish this by applying real world and business experience to the setting

What positive changes do you believe you could bring to AHA by being a board member? How would you implement these?

Aid in decision making and be a positive and common sense voice for the people.

What made you decide to run for a board position and what role do you envision yourself in on the board? What qualities do you have that support this?

I was nominated by another parent or coach. As far as role not sure, most likely just a voting member. Skillsets are logistics, mechanics and business.

Any other information you would like to share?
