2-3 on-ice coaches running predetermined drills.

20-minutes of skills/drills and 55-minutes of scrimmage per day

Closed Tryouts:

Only participants, coach/evaluators, AMHA board members, and any other approved volunteers are allowed beyond the rink lobby for all sessions. No parents or family members are allowed to watch any session of tryouts. 10u parents will be allowed to help their players tie skates in the front lobby and then must immediately leave. We believe that players do better when they are in an environment without outside distractions.

10u/12u/14u/16u players may be broken into groups and assigned a specific time slot to attend if necessary. Players will be notified the week of tryouts which group they are in.

Check-in Process:

Players should check-in one hour prior to their on-ice time.

All players will be assigned a jersey when they check in at their first session. This is their jersey to keep during and after tryouts. They need to use the same jersey for each tryout session, so make sure you bring it with you to every tryout session.

Selection and Registration Process for 10U, 12U, 14U, 16U, 18U:

Upon conclusion of the Sunday June 14 sessions, results will be announced within 2 hours of the final ice session, rostered players will be notified via email. Players are asked to return to the Fieldhouse (West Tent) for registration, sizing and team intro meetings. Light snacks will be provided.

Following the final ice time, players invited to the team will be expected to register and pay the season dues **WITHIN 24 HOURS** using the link sent with the email. Otherwise, we will offer the spot to another player. Payment plans are available.
