

Nick Bauman

Candidate for DHA President

Hockey has been a lifelong passion of mine, starting in my hometown of Bowling Green, Ohio. I played varsity hockey for Bowling Green High School, followed by club hockey at Bowling Green State University. Beyond playing, I also spent over a decade as a referee, gaining a broader perspective on the game.

My wife and I have three children, and our family has been part of the Stealth program since 2019 — the same year I began coaching. When I'm not coaching, I stay active in the hockey community by playing in adult leagues in both Kettering and Springfield.

Professionally, I serve as an officer in the Air National Guard, where I currently hold the position of Director of Operations for an operations squadron. This leadership experience, combined with my lifelong connection to hockey, gives me a unique perspective and skill set to help guide and grow DHA.

As president, my vision is to continue growing DHA into one of the top hockey programs in our region — a place where players of all abilities have the opportunity to develop their skills and reach their full potential. I will work to enhance the overall player experience by continuing to provide the highest-quality coaching, leveraging technology to support development, and strengthening the positive culture that already makes DHA a place players and families are excited to be part of.
