If we do please let me know so I can update that portion of the page and then coordinate with Dakota to update the other portion so we don't get the two portions of the page out of sync as I'm not able to update that portion.
      - 1. \$200 for a half season and \$350 for a whole
      - 2. We open registration in the beginning of September, but we do not have the dates yet.
  - j. Equipment Manager
    - i. We still have a few out there who have not replied to the rental return. Working to get those stragglers in.
    - ii. At the picnic we plan to distribute coaches bags/pucks/medic kits. Prior to that, if we could be sent the full coaching list with contact information that would be helpful in getting that equipment out.
    - iii. Before fall registration gets here I would really like to add an "upsell" for rental gear when registering for Starter Stealth And/Or 8U. (Shown at the the 1:23 mark in the video <https://www.youtube.com/watch?v=c-iZEnXtphs>) . This would allow people to complete one transaction in one workflow versus having to visit multiple locations on the site to register for a season and another area to rent gear.
    - iv. I would like to add a Rent Again option for the rental gear in addition to the current option. We've had a few people who would like to rent again for next year and this saves myself and Amanda time with not having to refund a rental, meeting to return the equipment, then meet at a later date again to re-rent the same exact equipment. The net outcome of renting/returning/renting again is the same in terms of dollars to DHA as Re-renting. The savings is my time and gas and Amanda's time. Currently, the other option I want to add would be something like "Re-Rent Equipment \$50.00" to the screen shown below. Side note: I like the idea of upping this to \$150 and they still get \$75 back when they return.
  - k. Volunteer Coordinator - no report
