Appendix II D3 Report

Notes from November D3 Meeting

Election for D3 Positions - The election to vote in a new District Director will be Dec 8. The term position will be until May of 2022, at which time we will elect a District Director for a three-year term. Also looking for Girls Coordinator, Mite Coordinator, Treasurer and HP/Tier 1 Coordinator. Job descriptions that outline the positions are available to review. The District Director needs to have other people perform and needs to delegate to have things run smoothly. The vote is a weighted vote based on the size of association. Machel added that associations need to make sure all mites are properly registered.

HYHA Coaches - Please remind teams that only rostered coaches for that team can be involved on the ice or bench during games with your teams. Reminder, we CANNOT have coaches on the bench or participating with the team if they are not on the official roster. NO COACHES ARE ALLOWED TO BE ADDED TO GAME SHEET THAT ARE NOT ON THE ROSTER!!

Supervisor of Officials: We have been instructed by MN Hockey to follow the USA Hockey Rule 402 Minor penalties. This change will take effect immediately for games beginning 11/9/2021.

The length of minor penalties shall be pro-rated for the following period lengths:

12 minutes or less - 1:00 minor penalty (10U, Squirt, 12UB, PC, PWB) More than 12 but less than 17 minutes - 1:30 minor penalty (12UA, PWA, PWAA)

17- 20 minutes - 2:00 minor penalty

*****NOTE***** - All Bantam, 15U, 19U, and Junior Gold will remain 2:00 minor penalties regardless of period length.

MN Hockey has granted an exemption allowing all Bantam and higher levels to remain 2:00 penalties. They have also allowed for ALL.

Major penalties and 10-minute misconducts to remain as 5 and 10 minutes respectively at ALL levels.

Bantams - Please inform all players that they must not remove ear pieces from their helmets. If they do, the helmet has been deemed to be altered and the player will be removed from the ice until the helmet has been repaired. This has been a big issue at the Bantam level.

Game Sheet - Please inform all coaches of the pre-game procedure. Head coaches are to go the scorers table during pre-game warms to verify their roster and sign the scoresheet. They are to do this before the game not after. They are verifying their team's roster. They can cross off any players or coaches who are not at the game or suspended. We have had some confusion with this process this season already.

Tournament Coordinator - Communicated to all tournament coordinators that they have to verify rosters prior to the tournament. They should be asking for the team's link to their roster at least a week prior to the tournament so that they can get the rosters uploaded. This will eliminate the last minute of entering the roster right before the Game or at least they won't have to do a whole bunch. Rosters have to be verified through GameSheet in addition to the normal verification.

Remind tourney coordinators that jerseys cannot be mismatched colors. Teams must wear the same color. There cannot be duplicate numbers. Additionally, tourneys need to be submitted on time-at least three weeks prior.

Mites/Mite Coordinator - Bill Robeck will hold a mite/8u coordinator meeting. Reminder, no mites should be playing outside the district without Scott Dornfeld's (acting Director) approval. Machel added that very few mite rosters exist currently. Get mite rosters completed. FYI mites may play only 4 5x5 games after Jan 1.

****NEW D3 RULES & REGS**** - Many coaches and managers have reached out this fall requesting info. These are currently posted on the D3 "Board" page - <https://www.d3hockey.org/page/show/16428-board>. Not the most convenient spot for HYHA folks.

*Requesting that all HYHA coaches and managers receive updated rules & regs

*Requesting HYHA find a logical spot to post both docs on the HYHA website

*Requesting that HYHA replace with updated docs every year in an effort to limit the questions and confusion.
