

2025 Spring Development Program **Tournament Teams, Co-Op Series Games, Skills, Drills, Power Skate, & Small Area Games**

The Vikings Hockey Club is proud to announce their **2025 Spring Development Program** at The Arctic Ice Arena. We are the leader in Spring Development Hockey. This year's program will run from March 31st – June 11th. The Vikings Spring Development Program works in conjunction with Hockey Sense Inc. and is open to **ALL PLAYERS** from **ALL CLUBS** including Tier I, Tier II, Arctic Jr Fury and all House Programs.

New for 2025, the Vikings Spring Program will be entering teams at 8U Mites, 10U SQs, 12U PWs and 14U Bantams in the Prairie State Co-Op Hockey Series playing a small number of games at Arctic and Darien. We will enter teams over two weekend dates at the A1 and A2 levels. These are simply added games to enhance each club's spring programs and to work together to offer the kids additional playing opportunities. This is in addition to our weekly sessions which will consist of a combination of Power Skating, Skills, Drills, Small Area Games, Tournament Teams and the **Co-Op Series Games**. This new format allows for a focus on individual player development while implementing team concepts and tactics through a fun, yet competitive game environment.

Below are the dates for Spring 2025. All tournament teams and Co-Op Series teams will be called **Hockey Sense Inc**, as all events are not part of USA Hockey. If your player is selected for any tournament teams, he/she will incur an additional cost per tournament. There is **NO ADDED COST** for the Co-Op Series Games if selected. **Tournament Schedule, Chi Town Shuffle 4/25-27, Windy City Rumble 5-/9-11 & My Hockey Spring Classic 5/16-18 (tbd)**

Now in its 13th year, our development program has been developed by Vikings Hockey Director Nick Pollos with contributions from various **USA Hockey** and **Jr. & NCAA** Hockey Coaches, Players and Instructors. Each session will be made up of challenging development drills, focusing on proper skating technique, puck handling, passing and shooting along with focused and competitive concepts. Specialized goaltender instruction will also be present throughout the program including goalie clinic nights.

A variety of instructors will be used during these sessions including current and new Vikings coaches, special guest instructors, current Junior A, NCAA and Professional Players along with Hockey Director Nick Pollos.

This is not a spring league, our program focuses on teaching and development, with a pre-determined schedule, with proven instructors at a very reasonable cost. It also allows flexibility for kids to play other sports all Spring and Summer. Program details are outlined as follows...
