

## CHANNAHON PONY BASEBALL ASSOCIATION

Dear Sponsor,

Channahon Pony Baseball League, a 501 (c) (3) non-profit organization was founded to promote the development of athletic skills, character, and good citizenship in kids within the area. In reflection of the past year, we have seen an incredible amount of growth in the players and our league, including the addition of a fall season for Shetland and Pinto which would not have been possible without the support of all our sponsors.

As the 2024 baseball season has come to an end, we have begun preparing for the 2025 season. We are requesting the support from you and your organization by being a sponsor for our upcoming season. The sponsorship program helps our league cover each season's expenses such as field maintenance, baseball equipment, uniforms, and other necessities. For those that have contributed previously and continue to contribute, we thank you for your continued support. To new sponsors, we offer three different sponsorship opportunities: Outfield Sign Sponsorships, Team Sponsorships, and a combination of both. If you are able to support the league by becoming a sponsor or continuing your sponsorship, please complete the form attached.

Your generosity, commitment, and partnership help us maintain a first-class baseball program for the kids in our community! If you have any questions, KC Whitgrove can be reached at 815.671.1706 or whitgrove@gmail.com. If you choose to not renew your sign sponsorship, please email or call to be removed from our sponsorship list.

Thank you again for your past support and consideration for the 2024 season!

Sincerely,

KC Whitgrove  
Channahon Baseball League President

Sign artwork should be camera-ready. A hi-resolution file in Adobe Illustrator (ai) is preferred. A hi-resolution 300 dpi Adobe Acrobat pdf file at half-size (2' x 4' or 2' x 6') or 150 dpi at full-size will give the best results. If you are unable to provide a camera-ready file, please add an additional set-up fee of \$30. Less is more! Too much copy makes the banner hard to read. A logo and phone number or website is ideal.
