**Artwork Requirements & Tips (For New Sponsorship Only):**

Sign artwork should be camera-ready. A hi-resolution file in Adobe Illustrator (.ai) is preferred. A hi-resolution 300 dpi Adobe Acrobat pdf file at half-size (2' x 4' or 2' x 6') or 150 dpi at full-size will give the best results. If you are unable to provide a camera-ready file, please add an additional set-up fee of \$30. Less is more! Too much copy makes the banner hard to read. A logo and phone number or website is ideal. If using a dark background, white or light lettering works best. Team Jersey Logo artwork may not be more than 250 pixels wide in .jpeg format. Artwork submission should be sent to
