#### 4. **Committee Updates**

1. **Tryout Committee - Rob Rankin** - No updates at this time. Will be setting up our first meeting next week.

2. **Player Development - Scott Mack** - No updates at this time. We will be setting up our first meeting next week.

#### 3. **Coaches Committee - Tim Galloway**

-IHS, review association access cost and benefits/execution plan to provide association based IHS subscriptions. Tim requested the executive committee to consider a budget line for the coaching committee to use for IHS, tools, and nonparent coaches as appropriate.

-Early off season tasks in progress

- **Recruiting and planning for interviewing non parent coach candidates**
- **Review 25/26 coaches feedback forms, distribute to LY head coaches with a short survey to begin gauging interest for next year**
- **Establish criteria for coach ranking**

4. **Budget/Finance/Grants - Melissa Carey** - Fiscal Year End is wrapped up, we had additional items come through the last week that took what little reserves we had left. We still have some miscellaneous items coming through that will carry over into this year. Spending freeze until we have additional revenue. We will be running thin to have enough for tournament costs until we are able to take additional funding from gambling or bring in revenue.

2026-27 Budget should be ready for May meeting - we may need to cut some areas with potential lower gambling revenue

#### 5. **Fundraising/Marketing - Tina Montoya** -

The Golf Registration website is ready to launch! I'll be emailing the sponsor and silent auction recruitment letter to everyone. We also have an existing

sponsor/donation list—please add your name next to the specific sponsor or donation item you are working on. Our biggest fundraiser is rolling-let's fire up the crowd, toss some hats, and score big for FYHA!

Next Fundraising/Marketing meeting - April 28th at 6pm. We will talk about Top the Tater Days and the Golf Tournament.

6. **Tournaments - Amanda Kuhn** - have started compiling a list of tournaments and when they open. The big first push is 5/1 so we will need to know what levels of play we think we will have to start securing those tournaments that go quickly (fargo tournaments). I have noticed as well that costs of tournaments have gone up again from last year so we need to plan accordingly to make sure we have the funds (squirt international is now 2,300). Other than that no other updates at this time.

7. **Jerseys/Socks and Apparel- Jordan Webinger** -

8. **Facilities - Scott Mack** - Scheduling walk thru for Maki. Looking to get that done the week of April 27th. Once that is done, we will start to review grant options and apply for any repairs/enhancements at Maki. We are also still working on outdoor refrigeration ice options. More details to come as we connect with the City and ISD 192.

9. **Tiger Tone/Grievance- Lindsay Stemig-**
