Describe your prior involvement with FYHA (board service, coaching, volunteering, committee work, events, etc.). Please include approximate commitment and responsibilities.	<p>I have served as an At-Large Board Member for FYHA for the past six years. In that role, I have supported overall association governance, participated in board meetings and strategic discussions, and contributed to decision-making that impacts programming, operations, and long-term planning.</p> <p>I have served as either a head coach or assistant for all of my children's teams.</p> <p>Countless hours either at the rink or behind the scenes.</p>
Describe any leadership, volunteer, or board experience outside of FYHA that is relevant to this role (professional, nonprofit, school, community, etc.).	In addition to my involvement with FYHA, I bring significant leadership experience from my professional career. I have held senior leadership roles within the printing and manufacturing industry, where I am responsible for strategic planning, financial oversight, operational performance, team development, and long-term growth initiatives. decisions impact players, families, coaches, and volunteers at every level. Having also coached my children’s teams, I bring a practical, on-the-ground perspective that helps ensure board decisions align with the real experience at the rink.

Are there specific areas or committees you would be willing to support if elected?

As a board member you need to support all areas/committees, not just the ones you prefer.

Board service sometimes requires supporting decisions that are unpopular but necessary. Describe a time when you had to make or support a difficult decision in the best interest of an organization, team, or group.

I supported a difficult FYHA board decision to remove a coach to ensure the best experience for players, families, and the long-term health of the association.

How do you handle disagreements or conflicts when working with other adults who may strongly disagree with you?

I listen carefully, stay respectful and focused on shared goals, and work to find common ground. If consensus isn’t possible, I support the final decision and continue collaborating in the organization’s best interest.

Do you understand and commit to these expectations for the full term of service?

Yes

If no, please explain.

Do you acknowledge and accept these responsibilities?

Yes

If no, please explain.

Why are you seeking election to the FYHA Board, and what do you hope to contribute during your term?

Through my six years of board service and many years coaching my children’s teams, I’ve seen firsthand the impact strong leadership and thoughtful governance can have on players, families, and the overall community. I want to continue contributing my experience to help ensure FYHA remains a well-run, inclusive, and positive environment where kids can learn, grow, and love the game.

Is there any additional information you believe is relevant to your candidacy for board service?

I have common sense.
