How Hockey Fantasy Sweepstakes Works

The Hockey Fantasy Sweepstakes is fun for participants because they have an opportunity each of the 15 weeks of the NHL season to win one of twelve cash prizes (was one in ten for 2025) with the top prize being \$200. Each ticket has three pro hockey teams randomly assigned to it each week and no two cards are alike. The ticket holder whose teams score the most total goals that week wins the top prize. The list of prizes can be found on the front of each ticket. For more information, read the sweepstakes rules on the ticket.
