

# 2026 AJSA Sponsorship Package

Andover Jr Football & Cheer

---

## A Message from the President

Dear Community Partner,

On behalf of the Andover Junior Sports Association, Inc. (AJSA), thank you for considering support of Andover Jr Football & Cheer for the 2026 season.

AJSA is an all-volunteer, nonprofit youth sports organization serving families and young athletes in the Andover community. Our programs introduce children to football and cheer in a safe, organized, development-focused environment where they learn teamwork, discipline, sportsmanship, confidence, and pride in representing their community.

As the community's youth football and cheer feeder program, AJSA helps young athletes build the fundamentals, confidence, teamwork, and school-community pride that prepare them for future opportunities at Andover High School and Andover Central High School.

Each season, AJSA works to keep participation costs as reasonable as possible while still providing quality equipment, uniforms, safety resources, coach training, and family support. Sponsorships and donations help make that possible.

We are proud to support young athletes who may one day represent Andover High School and Andover Central High School. The support of local businesses, families, alumni, and community partners helps AJSA continue building a strong foundation for Andover youth.

Whether you choose a formal sponsorship package, general donation, scholarship donation, in-kind contribution, or custom support opportunity, your generosity makes a direct difference for Andover kids and families. Thank you for investing in Andover Jr Football & Cheer and in the community we share.

Sincerely,

**Robert Bunting**

President, Andover Junior Sports Association, Inc.

### How Your Support Helps

Your support helps AJSA provide football equipment, cheer materials, AED and first-aid access, coach training, certification resources, scholarship support, facility support, and program improvements that directly benefit Andover youth athletes and families.
