- 1.

V. New Business:

1. Chris, Drew, Troy, Bob's terms are up
- 2.

VI. OHC Members Questions/Suggestions:

1. Mercy Rule for the OHSHL
  - HS league is unbalanced and is concerned about losing kids. Kids are upset about the unbalance of scores and teams are getting beat 18-0. Maybe a mercy

rule, or splitting into a more competitive league and a not. Get to 12 points and games over and then give the other team time to practice the rest of the time.

(1) Board has had talks about the post season on to discuss what worked, what hasn't and how we can/need to alter next season. An idea is to limit amount of goals to not rack up points. Team formation, looking into how we select draft. Not sure ending the game is the solution but could look into a goal cap or winning team could swap goalies. Might need to have the same cap in house.

2. How do we access sheet records

- Ask OHC for records

VII. Next Meeting will be Feb 17, 2026

- Motion made to end the meeting by [Chris Marshall](#) , seconded by [Bruce Cady](#). Voted and approved.
