

**Name:** Mike Gillespie

**Position:** Board Member at Large

**Why I am interested in running:**

I run a local business in Omaha. I am highly involved with the community due to the business as is and would love to contribute to keeping Omaha Hockey Club strong.

**What experience or skills could you contribute to the organization?**

30 plus years of management experience, leadership roles. Strong background in sports outside of Hockey ( StockCar racing as a driver and builder, baseball growing up and coaching sons Travel Baseball for 6 years)

**Any additional information you would like the members to know about you:**

Love working and being involved in my children's sports. We have a competitive dancer in the house along with our Hockey Player. 2 older children have moved out after high school. My wife is a school teacher so we are heavily involved in community. Talking and being involved with activities, arranging schedules, and working thru difficult scenarios is something I love doing.
