

CSHL PLAYOFF PATCH PLACEMENT

- Please place one CSHL Playoff logo on your jersey. Either location in the example is an acceptable location for the patch to be sewn on.
- Some players will have a “C”, “A”, or number on the left shoulder, if that is the case please place the patch on the right shoulder.
- Patches will be iron on this year and will have an adhesive on back.

Iron-on Patch Instructions

If you're using a heat press, please set temperature to medium and follow steps 4 and 5.

1. Lay the clean garment on a flat surface.
2. Turn iron on. Ensure steam is off with no water in the iron. Set temperature to the right fabric setting.
3. Place the patch (facing up) onto the garment where desired. Place a thin (cotton) cloth over the patch area.
4. Apply pressure with the iron in circular motions for 10–30 seconds over patch area to ensure adhesion. Allow the patch to cool.
5. Flip the garment inside-out, apply direct heat (or place a thin cloth over it to avoid burnt effect on your garment before applying heat) with iron onto the areas until adhered. Once again, allow the patch to cool.
6. Check if the patch has adhered completely. (Repeat steps 4–6 if necessary.) Enjoy your newly patched jersey!.
