

EQUIPMENT RENTAL POLICY

YOU MUST BE REGISTERED FOR THE HHA HOCKEY SEASON TO RENT

PAYMENT FOR RENTAL

Credit card or ACH payment method may be used for rental equipment. Preferred payment method kept on file from equipment rental registration.

1. \$100 Equipment Rental Fee – Non-refundable.
2. \$250 charged if equipment is not returned by April 1st of the current season.

LOST / DAMAGED ITEMS

If an item is lost/damaged, it is required that the item be replaced with similar brand, color, and exact size (approval should be obtained from the current equipment coordinator). If a lost/damaged item is not replaced, the payment method on file will be charged to purchase replacement equipment.

OFF-SEASON EQUIPMENT RENTAL - SUMMER

Full equipment is offered for off-season use. A new registration must be completed at time of rental. Summer rental season runs April 1st through September 1st.

If you currently have equipment from the regular season, you still **MUST** attend an equipment return day at the end of regular season. You must then state your intention to re-rent for off-season use.
