

8/12/26- Co-op Meeting

4:30pm-5:00pm

Present: Whitney, Jake S , Justin, Jeremy, Mitch, Kevin

Absent: John- joined after 12U discussion

Jake S- explained his process and use of grading rubric to have a more objective conclusion. He independently interviewed each candidate and came to his choice. Jake's vote would be for Jason M to remain the 12u coach. Whitney will inform John of the choice, Kevin will let Jason know.

John joined online and let us know of 2 new candidates that are interested in coaching at the peewee B level. 1 is a current football coach and has experience with children and parent dynamics. The other is a farmer and would have limited availability until November. Discussed possible use of short term help by Brandon S or Brett S. Discussed possible coaching positions for Ashton this season. Whitney and John will continue these discussions on feasible pairings for this age group.

12u- unable to determine 1 or 2 teams until registration numbers are final

Whitney will add Jake to the co op email chain and group message so he can remain informed throughout the season.

Next meeting: unless a concern arises, next meeting will be scheduled for September to review player petitions.
