Jamboree Format & Rules:

- Games will consist of (2) 20-minute periods with a buzzer every 2 minutes for a race-to-the-puck line changes. If running ahead of schedule, games may start early if all teams are ready to play.
- Games will be 4 on 4 with a goalie. A 5-minute warm-up will be allowed.
- 1 coach from each team will skate with the team to help move the game along. Coaches are encouraged to stop play and give the puck to the opponent if a penalty occurs. No one will be sent to the penalty box. We leave it to the coach's discretion to remove a player from the playing surface for a shift if there are repeated infractions by the same player.
- Face-offs will take place at the start of the period only. The puck will be left where it is currently at during a line change. After goals or frozen pucks, the attacking team will retreat and the team on defense will advance the puck.
- There will not be a score kept for any game.
- We encourage a fun and competitive environment for all kids playing in this jamboree. Coaches, parents, fans and players should demonstrate good sportsmanship throughout the jamboree
