

Help Send the Haverford Hawks to Finland!

Investing in Young Athletes, Global Experiences, and Lifelong Growth

The Haverford Hawks are heading to Finland in March 2027 for an incredible international hockey exchange!

While hockey is the foundation of this trip, the impact extends far beyond the rink. This experience provides our players an opportunity to immerse themselves in a new culture, develop independence and leadership skills, build international friendships, and proudly represent the Haverford Hawks on an international stage. Players will have unique experiences such as practicing at the Finland Olympic Training Facility Vierumäki.

For many of our families, the cost of international travel presents a significant challenge. Our goal is to ensure that every player who has earned the opportunity to participate can do so regardless of financial circumstances.
