

# Helena Bighorns Youth Hockey

---

## Sponsorship Program

The Helena Area Youth Hockey Association (HAYHA) has a vision to develop character, sportsmanship, and physical fitness among young athletes in the Helena Area. HAYHA is committed to providing young athletes with the opportunity to develop skills, knowledge and love for the game of hockey in a fun and safe environment.

Your sponsorship will not only help HAYHA accomplish those objectives, but also spotlight the generosity of local businesses and individuals that support children's participation in healthy activities:

- Keep hockey affordable for all families in the Helena area.
- Invest in special development programs and equipment.
- Introduce more of the community to hockey by expanding our Learn to Skate and Try Hockey programs.

Thank you for considering a sponsorship with Helena Hockey. Your generosity can make a positive impact on kids in the Helena area!

For any questions regarding sponsorships, please contact:

Chuck Denowh, Fundraising Chair
