Ashley- Monsters tickets
December 11th- tickets are $31 and $34 dollars, all in the same section. Some are higher and some are lower. Ashley proposes that we make all tickets $34 for ease and Nick will assign seats in groups. 308 tickets total. 90 tickets at $34 and 218 are at $31. Board agreed to charge $31 for each ticket

February all star weekend- tickets will be different prices: Nick will take care of issuing tickets. Ashley is going to talk to Nick about the times for the rink of dreams games. Right now it shows that squirts have 45 minutes and mites have 75 minutes.

Ashley gave update on how to purchase tickets
