

# Kings High School Hockey Club

Hampshire - Huntley - Jacobs - McHenry - Woodstock - Woodstock North

RE: \_\_\_\_\_

Student ID # \_\_\_\_\_

Dear Teacher / Counselor:

\_\_\_\_\_ is a member of the Kings High School Hockey Team. Our club includes students from Hampshire, Huntley, Jacobs, McHenry, Woodstock, and Woodstock North High Schools, but can also include students from other schools, such as Burlington Central as determined by the **Illinois High School Hockey League - North Central** (<https://www.ihshlnorthcentral.com>).

Success in academics, along with a positive attitude, is part of the criteria for participation in our program. We expect our players to represent themselves and our hockey club appropriately in public, at the rink, in the classroom, and wherever they go. Academically, we expect our players to prioritize their education. We show them that school is important to us, and so it becomes even more important to them.

Most of our players have the desire to play hockey beyond high school. Our objective is to work with parents and teachers to help our athletes achieve a lifetime of success at home, in the classroom, and on the ice. Sometimes, the schedule of our team requires us to travel for games outside our normal geographic area. Unfortunately, this requires our players to miss school from time to time, even though we make every effort to avoid it.

The following dates indicate days that will be missed due to out-of-town tournament trips:

\_\_\_\_\_

We appreciate your cooperation. If I can do anything to help you with this student in the future, please don't hesitate to contact me directly and let me know.

Sincerely,

**Brian Knight**

President - Kings High School Hockey Club
