

TRAVEL HOCKEY TRYOUT UPDATE

July 15th, 2026

Hello DMYHA Families,

Hope everyone's summer is going well. Hockey tryouts are coming, and the season itself will be here before we know it! Travel registration is out, and we are looking forward to another great travel hockey season! As previously communicated and like 2025 tryouts, the structure of the overall tryout system will consist of two weekends.

- **10U, 12U and 14U Red Try-outs – 8/20 thru 8/23**
- **8U Tryout – 8/25 and 8/27**
- **10U, 12U and 14U Blue/White Try-outs – 8/28 thru 8/30**

The first weekend will be tryouts for the respective Red teams. Following the Friday evaluation session, players must receive an official email invitation in order to participate in the remainder of the Red tryout weekend. Please note that not all players will receive an invitation. Players who do not receive an invitation to continue in the Red team tryout process should refer to the registration information and fees outlined below for the Blue/White tryouts. Upon completion of the final Red tryout sessions on Sunday and the team selection process, Red team offers will be distributed.

Those not signing up for the Red Team tryout may sign up for the Blue-White Tryout that will occur the following weekend. That registration will close shortly after the Red Tryout. The second weekend will consist of a similar structure regarding the timing and layout of the tryout. At the end of the Blue-White Tryout, the Blue team will be selected by their coaches, followed by White Teams and offers sent accordingly.

DMYHA encourages all incoming first year players who played Red the previous year, (i.e. 12U Red moving to 14U) as well as returning Red and Blue players from same year (i.e. first year 12u Red/Blue players last year trying out for second year 12u this year) to sign up for the Red tryout. If you feel your player should participate in the Red tryouts regardless of where they played last year, we encourage you to sign up for red tryouts.

The cost for tryouts will be as follows :

- **\$300 for Red Tryouts** – If your player makes Red and accepts the bid, \$200 will be credited to your first month's dues. If they don't make Red, \$200 will be applied towards blue/white tryouts. If they make a team and accept a Blue/White bid, \$100 will be credited to their first month's dues.
- **\$200 for Blue/White Tryouts only** – If they make a team and accept a blue/white bid, \$100 will be credited to their first month's dues. in addition, there will a \$100 deposit required when you register.
- If you do not make a Red, Blue, or White team, the \$100 will be refunded to you.
- **If you make a Red, Blue, or White team and REJECT a bid the deposit will be forfeited.**

We look forward to a great tryout and enjoy the rest of your summer.

Good luck and look forward to seeing everyone soon!
