- concerns about small team sizes making more teams given the ice availability situation we are facing.
- Beginner mini mites- would like to see the schedule at these levels go to one indoor ice session on Sundays and then one additional ice time outdoors during the week.
- Work on how the teams within GRAHA function and what skills they are learning.
- Many things to work on in the off season to benefit development for all players
- Bemidji tournaments for next year, maybe not the best, maybe look into other options.
- Checking/body contact clinics- Grant willing to put them on in spring and August

DIBS questions- Shawnna Rude

- Question about 12uA manager DIBS, Brian Anderson to follow up with Shawnna on this.
- Question about The Great Itasca Give Back golf tournament hole sponsor DIBS.

Shawnna will follow up with Jon Toivonen on this as he was present at the tournament.

Other GRAHA Business: Andy Haaklau

- March 30th ice out on the pavilion depending on temperatures. This date is very flexible and weather dependent. The board agrees that it can get very costly if the temperatures are too high, and on the opposite side of that, if it is still cold it does not make sense to pull the ice out unnecessarily.
- Email Votes: Peewee B2 would like to add an extra tournament given all of their tournaments were in the first part of the season. The vote took place on 12/29/2026 via email. Vote passed with all voting members voting in the affirmative.

Concession

- Upper concessions fridge fixed by Justin Crossley
- All boys games have been covered by outside organizations, this has been going very well.
- Up \$6000 from last year at this time.

- Kona taking away some business from concessions and staying all day, when they are meant to be there only during varsity games.
- \$509 cc tips for pavilion
- Possibly adding ice cream to concessions wondering if that may be a good seller.
- Wondering about going cashless in the concessions stand. Something to think about for next season.
