NIHL: Monthly meeting tonight
Regular season is underway.
NIHL Blackhawks Tournament- St. Jude will be hosting the 14U Elite level playoffs February 14 - 16. Kelly McHugh has graciously offered to be our point person for this. Game times TBD and more information will be shared with Kelly at the January 6 advisory board meeting.

CSDHL: No updates

CUHL: No updates

MISCELLANEOUS

- ★ The Double Good fundraiser was a huge success (although only 66 families participated). Overall sales were \$53,666 of which the club will get back \$26,833. 70% of that amount goes directly back to the families. We expect the check to arrive within 4-5 weeks (per Double Good) and will process reimbursements immediately after.

Jase Pell (1st) and John McBroom (2nd) won the Future Stars prize and will line up with the players at the January 5th Blackhawks game.

- ★ Pictures were taken last week. The photographer anticipates having them completed and links ready to be sent out within 2 weeks but will keep me posted if there are any changes.
- ★ Raffle Tickets will be due back by December 20th. Winners will be drawn at the January advisory board meeting.
- ★ Bantam Night - we need to get a planning committee together: ideally this would be first year bantam families (not graduating players) unless parents of graduating players would like to assist. Bantam night is only for players that are moving on to high school hockey in the fall. Girls usually have a separate night that their team manager will set up. Kelly McHugh will need the names of participating players to order banners. A google form will be sent out to families to get an idea of how many will be participating.
- ★ Team Banners names will be sent out to the managers and due back mid December. Distribution of those will be in late January.

Coaching Updates

- Reminder email has been sent out again to coaches reminding them of their CEP expirations.
- Coaches must have USA#, Safesport, background screening and Age specific modules completed PRIOR to being on the ice with players. The CEP deadline is December 31st.

Blackhawks Program

January 5, 2025 is the big day: Future Stars experience. Our top 2 raffle winners will have the opportunity to line up with the players during the National Anthem. St. Jude will also have the post-game slot on this day to use for a club-wide free skate. A link to purchase tickets is posted on the website and has been shared with the managers. St. Jude receives \$5 back for every 300 level ticket purchased and \$10 for every 100 level ticket purchased.

December Meeting: Monday, January 6, 2025
