

CAPTAINS & ALTERNATE CAPTAINS

(SQ-BAN ONLY)

Teams are not required to designate Captains or Alternates.

Each team may have up to four lettered players, as determined by the coaching staff. This can be:

1 Captain + 3 Alternates

2 Captains + 2 Alternates

Or fewer than four, if preferred

An email will soon come out after the season begins asking if your team is interested in having a C or A. Once your coaching staff has made its selections, you will be provided with the appropriate letters.

Each designated player will receive two letters:

1 Blue/Gray letter for the White jersey

1 White letter for the Blue jersey

All letters must be sewn onto the jerseys so they can be removed at the end of the season if the jersey will be worn again. Sewing will be completed by Tracy Rieke.

Captain/Alternate lettering goes on the left side of the jersey (right side when looking at the jersey, above the "GS" in DOGS).

Tracy will know the proper placement.
