

REWARDS

Rewards will be earned for those sellers who choose to sell above the minimum requirement. We will be giving script cards out in various denominations based upon sales above a specific amount. See choices below. You can continue to sell additional amounts beyond what is listed. Additional reward levels are available. If you have reached an additional reward fill out the attached form with reward selection and email it to jschneider0926@gmail.com or text to 651-336-2388. Rewards will be verified and handed out when you pick up your flowers.
