

Gerten's Flower Fundraiser

Welcome to the Forest Lake Fastpitch 2026 fundraiser. Again, this year, we will be selling flowers from Gertens. As with last year, the fundraiser ordering is all online and there are no order forms to fill out and no funds to collect. Going online has allotted additional time for sales. Gertens has set the prices for each item. The prices are comparable to, or even less, than what the items will cost in store.

Single players will need to sell \$500 in product and families with 2 or more players will need to sell \$670 in product. These dollar amounts are identical to the required amount of sales last year. Failure to sell the above amounts will result in having your fundraising check cashed (\$150 for single player, \$200 for two or more players.) If you sell a specific amount above the requirement, you are eligible for a reward in the form of gift cards (see the earning rewards sheet for amounts and selections).

The Gerten's online store will open on February 16th but all sales must be entered and paid for by **10pm on Thursday, April 2nd.** The link for our fundraiser is <http://www.gertensfundraising.com/>. You can share this site with friends and family or through social media. Friends and family then enter code **373** which will link directly to our Forest Lake Fastpitch fundraiser and display the items with pictures that are available for purchase. Buyers select the item(s) they want to purchase, pay for them online, and in the checkout process MUST select your player's name from the drop down/list so your player gets credit for their purchase. **For families with more than one player please note that I have combined your players names in the drop down menu.** Items can, and do, sell out (they will be listed as unavailable if sold out). We encourage you to sell early for the best selections for your buyers.

Gerten's system does not allow parents to log in and see a running list of your up to date sales/totals. We will send out an email from time to time with the sale totals for each seller. FLAFA's goal is to not cash your fundraising check but please remember the required sales amounts (\$500/\$670) as these funds are needed to offset the rising costs of equipment, umpires, etc.

Flowers are scheduled for delivery **BEFORE MOTHER'S DAY**, on **Tuesday, May 5th** and obviously make great Mother's Day gifts. You will be responsible for picking up all of your orders and distributing them to your buyers. Pick up will be done at Fenway Fields, on May 5th, in the early afternoon/evening (exact time TBD). Look for additional information to come closer to May 5th.

If you have any additional questions, feel free to contact Jennifer Schneider at 651-336-2388 or jschneider0926@gmail.com
