## Agenda Items

### Guest: Brad Marmo - Developmental Programs

- We have a lot more enrollment than ice time allows, looking for Brad's opinions on how we go forward.
- The in-house program is still fielding enough players, to make it worth it. But not sure the full length of the season is needed.
- Need to look at rebranding in-house/LTP so we can move forward with the program more efficiently.

### President Update

- The board needs to keep ears open to concerns among the organization so we can address things head on.

### Financial Update

- Outside evaluators come in for the tryouts since the group is so big. Looked into TCs and Solid State to come out.

### BC Update

- Want to address 2 practices before tryouts for the players to evaluate how they want to proceed with programs. Looking into ways we can support that.
- Reach out to the Billerica side, for the U8 girls for a full ice team.

### Tryout Planning

- Adam, Scott, Richie, and Jon put together a plan offline and present to board.

### Learn to Skate 3

- Will hold another session for our waitlist in April. Opening it out to them first, then opening up publicly.

### Has Been Tournament

- Week of April 6-10, championship on 4/11. Targeting 6 teams, 2 teams more than last year.
- Looking into sponsorships for the jerseys and ordering them in advance.

### UML Night

- Open ice before the game can participate in the free skate, Mite 4 is skating at the intermission.

### Fundraising

- Bingo Night

- o 9+ Tables sold so far, raffle prizes coming, 50/50, Super Bowl squares at the event.
- o Venmo and cash will be accepted.
- o Tickets will be available at the door.

**Elmore Scholarship Committee**

- Sarah, Me, Adrienne, Lisa, Katie to head up

**Next Meeting: February 23rd @ 7:30PM - Forum or Zoom**
