

Squirt / Girls 10U HOCKEY

MH strongly encourages the skill development of all players, especially at the entry levels. Therefore, the following is effective for the Squirt/U10 level.

1. Limit number of (league/tournament/exhibition games/events) to a maximum of 35 per season.
2. All team schedules (practices, games, scrimmages and tournaments) will be turned into the D10 League Coordinator by the fifth (5th) of each month. Failure to comply may result in disciplinary action and/or a fine.
3. A three to one (3 to 1) practice to game ratio shall be supported by all associations.
4. **Controlled Scrimmages in D10, between two D10 association teams do not count as a game. If a D10 team goes outside D10, and participates in a controlled scrimmage, it will count as a game for the 25-26 season. Squirt(s) & Girl's 10U (all levels) teams will only be allowed 10 controlled scrimmages total for 25-26 season. Teams going outside D10 for a controlled scrimmage, will notify the D10 Director first.**
5. Refs need to be scheduled for all scrimmages, excluding coaches-controlled scrimmages.
6. A and B1 squirts and Girl's 10U A & B1, must be allocated an equal quality and number of ice hours.
7. The above policies will be monitored by each local association and district. Failure to comply will result in sanctions against the respective Association as determined by the District Director.
8. There shall be no region or state tournaments at the squirt or Girl's 10U level.
9. There is no substitute goalie allowed at the Squirt or Girl's 10U levels.
10. District 10 does not count the District Tournament Games towards the 35-game count.
