Epic, Inferno, Apex, & Illiana Jrs. Volleyball Clubs

What are the Volleyball & Partnered Clubs?

Epic Volleyball has been serving the youth of Northwest IN and the south Chicagoland suburbs since 2013, by providing excellent volleyball instruction through camps and teams at the regional and national level. Sponsors will receive advertising to four different volleyball clubs. Between these clubs, there are over 600 members and has many more contacts between camps, clinics, and summer leagues. Nearly all of the nearby high school teams are comprised of multiple players from Epic and its sister clubs (Illiana Jrs, Inferno, and Apex VBC) and we have provided an avenue for numerous players to obtain collegiate volleyball scholarships.
