

# Managing Your Payments

To edit your payment method or view a summary of your payments on your club's site, please log into your club's site and go to your "Account."

From there, you'll see a Billing option on the left menu.

The Billing page allows you to view your payments/balances, as well as edit or remove old Payment Methods.

If you have questions about the Balances, please reach out to your club administrators. If you see any errors while editing or removing a payment method, please reach out to us at [help@crossbar.org](mailto:help@crossbar.org).
