

Elizabeth Overgaauw

My name is Elizabeth Overgaauw. I am running for a board position with SYHA. My son, Andrew, has been playing hockey for the past 5 years. He will be a first-year squirt this coming season. My husband Michael and I have two other children, Olivia and Isabel. I also have 2 nephews (soon to be 3) that play in SYHA.

During my time as a mom, I have volunteered at Dakota Valley Elementary, taught Sunday School, coached 3rd grade volleyball, served as the 2024-2025 season Mite coordinator and am currently on the board for Westside Little League. Last year I received Volunteer of the Year through Westside. I am an active volunteer in every activity involving my children. I believe my organization, communication skills and hockey knowledge would be an asset to the current SYHA program. The program has improved greatly in recent years and I look forward continuing that.

Thank you for the consideration.
