Subject: Candidate Application

To the Siouxland Youth Hockey Association Board of Directors and Siouxland Youth Hockey Association members, allow me to introduce myself to those I have not met and more thoroughly introduce myself to others. I am Brad Colligan, I have been an active member of SYHA for the past nine years and have served on the Board of Directors for the past three years. I have two children in SYHA, Jack will be a Senior on the Metros next year and Ryan will be a second year Bantam. Prior to playing for SYHA, both were members of a hockey club in the Chicago suburbs where we previously resided.

For the past nineteen years, I have worked in federal law enforcement, investigating criminal activity. For the last nine years, in the Siouxland area, my primary areas of focus have been investigating violent crimes, major offenders, and crimes against children. Prior to moving to Siouxland, I was employed in the same position in Chicago, where my focus was on violent crimes, major offenders, drug investigations, public corruption, and white-collar crime investigations. Over the course of my career, I have participated in several committees and working groups related to law enforcement.

Prior to working in federal law enforcement, I was employed at an accounting firm as a Certified Public Accountant (CPA) and a Certified Fraud Examiner (CFE), focusing on financial audits and compliance audits of government entities (federal, state, and local), businesses and non-profit organizations across the United States. I was employed in this capacity for approximately seven years.

I have volunteered in numerous capacities in a variety of youth sports over the past 10 years to include hockey, football and baseball.

My goals as a member of the SYHA Board of Directors will continue to include greater transparency, fiscal responsibility and accountability and the fair treatment of all members of SYHA while maintaining compliance with SYHA, Midwest Hockey and USA Hockey rules, regulations and bylaws.
