Registration: Tykes are up to about 50, registration has been going well.

Try Hockey: Discussions occurring with Lloyd regarding floorball for next year – looking to possibly offer a floorball league before season, one in December/January, and another in the Spring. Fall is our first priority, and we'll hope Metros will help with the early ones, Musketeers with those later in the year.

Try Outs: Need inventory of practice jerseys from Mills to determine ordering.

Tournament Committee: Home tournament suggested dates ready for next meeting. Brad will be discussing the following with Donnie: prediction of number of teams at each level for next season, recommended travel tournaments suggested by current coaches. The plan is to register as soon as those tournaments open. A suggestion was made to contact Des Moines and request they automatically enroll us for their tournaments, 2 teams at each level.
