Nominations Committee
Siouxland Youth Hockey Association

Dear Nominations Committee,

This letter is to share my interest in being on the slate of nominees for the open Board seats that will be voted on in May of 2025.

I believe I will be a great addition to the SYHA Board. I feel my professional background combined with my experience serving on non-profit boards makes me a uniquely qualified candidate. I currently sit on the Board of Directors for the Association of International Certified Professional Accountants ("the Association") and the American Institute of Certified Public Accountants ("AICPA"). I also serve as the Chair of the Audit & Finance Committee for the AICPA and sit on the Investments Committee and Council for the Chartered Institute of Management Accountants ("CIMA"). In the local community, I served on the board of Mary J. Treglia House for 5 years including 2 years as board President.

Beyond my board and community service, my professional roles would also bring value to the Board. In my current position as Chief Transformation Officer at BPM LLP, I am responsible for change management, project management, business intelligence & analytics, and innovation. I am a CPA and CGMA, giving me a depth and breadth of financial knowledge that can be leveraged to continue SYHA's current growth. My previous roles in public accounting, performing audits and developing tax strategies, will benefit the organization as it complies with non-profit reporting and regulations.

I would very much like to join the Board to support the growth and accessibility of hockey in the Siouxland area. Thank you for your consideration and time.

Sincerely,

Lindsay Stevenson
