 - b. Officer Reports –

i) President: No report

ii) VP: No report

iii) Treasurer: Proposal for \$50 increase in fees. Discussion of budget and fees, fundraising. We need to have registration open so coaches can make decisions on rosters; it's a monthly payment for most of our families, sooner we get that out the better. Discussion of house program, developing players. Shannon motions to add \$50 to travel, maintain house fee as is. \$100 off for two kids. \$200 for three to four kids. Seconded by Amanda, motion passes.

iv) Registrar: Look for registration to be up by second week of June.. Payments run through February. Nine months. Need to see numbers by team at each board meeting, not just overall

iv) Secretary: Nothing to report.

c. Roles Reports –

i) Public Relations/scheduler: Goalie camp this week, sponsored, no cost to organization. June schedule includes another goalie camp on June 8. Parent meeting for 8U on July 31. New banner is in, promoting programs, socials. Issue with sign up genius. Lost \$713 through April session. Was originally thought to be much higher. May is getting better. Zach suggested keeping June schedule. Would like to do another try hockey for free, another LTP

ii) Fundraising: Has been lacking recently. Chris: Dashers, still don't know what those cost. Need to see those pricing guidelines so we can get it out. Programs could be an entry way to get businesses invested, up community awareness about program. Would cost \$3,000 to \$4,000 to print. Parents would sell ads. Include a fees discount if ads are sold. Could sell the book for \$5 each. Would get parents involved, could actually make a dent in their costs. It's fairly affordable and everyone has an incentive to fundraise.

iii) Recruitment: Try hockey for free Oct. 3 and Feb, 27 are official dates. Additional Try Hockey For Free would work for July 11.

iv) Equipment: No report

v) ACE: Coaches meeting today, attended by Zach and Robbie. Gap in development. We are not spending enough time developing players. Winning at B or A level of BTHL is not

significant. Need coaches to buy into an organization-wide development. Each practice needs a flow and a purpose. Need to make sure everyone is certified, safesport, background checks, etc. for board members and coaches.

vi) Technology: No report

d. Teams Reports – House,

i) 8U: Parents meeting in July.
