Dear New Trier Hockey Community,

Welcome to the 52nd year of the New Trier Hockey Club! As I write this, I am reflecting on the experience of watching my oldest son complete his time as a NTHC player. This experience has been so rewarding watching him handle the ups and downs, the wins and the losses and developing great bonds with so many other hockey players in our program.

For the 25-26 season, we have 129 players across six teams and five leagues and are competitive at every level. We continue to build on many of the new initiatives of the last few years to help and improve the program and its players- enhanced off-ice training, individual player meetings before, during and after the season, Friday Night Lights, livestreaming, alumni engagement and post-high school opportunities to play hockey. Many of our graduates go on to play hockey after New Trier during their college years and beyond.

I want to enthusiastically thank all the current and past board members, our coaches, volunteers, parents and our players for their dedication, perseverance, and commitment to this club. We have a rich tradition of strength and success, and it is due in no small part to all the people both on and off the ice who graciously give their time and energy in support of the best high school hockey program in the state. I would encourage everyone to consider volunteering if you haven't done so already as I am sure you will find that you get much more than you give.

The NTHC would not be where we are without the many sponsors who support our players and programs. These local businesses and organizations are the backbone of our community. They help our players cover the high cost of hockey by purchasing ad space in this sponsor book. The NTHC is neither officially sponsored nor funded by New Trier High School, therefore the support of our ad book patrons is critical. Consequently, it is vitally important that we support them in return.

In continuing the tradition of philanthropy by our New Trier Hockey Club players, we continue to support various charitable causes, including Misericordia and the Pegler Fund. The Pegler Fund was established years ago to offer financial assistance to players in our program. In addition, teams participated in a range of community initiatives and fundraised for many great charitable foundations.

In closing, I would like to challenge every parent in our club to volunteer and contribute in a meaningful way to help our program continue to move forward. Please reach out to me or any board member if you have any questions or would like to volunteer.

Go New Trier!

Sincerely,
Bryant Rowean

LETTER FROM THE HOCKEY DIRECTOR

A Culture of Support

DEAR NEW TRIER HOCKEY FAMILY,

Welcome to the 2025-26 New Trier Hockey Club season. Coming off another year of great success throughout our program, I could not be any more excited about the future of New Trier hockey.

As the Hockey Director, my continued mission is to make our club the best Tier 2 high school program in North America. To reach that goal, our players must play their best hockey along with dedicated coaches to encourage and guide them. Our coaching staff is a cohesive unit that shares ideas, strategies, and drills so that each team can develop and reach their highest potential. Our goal is to prepare each player for their next step, whether it's at New Trier, college or elsewhere.

To reach our goal we need to create a healthy culture as a unified club that includes every player, coach, and family. My objective is to develop a culture where players and families are in this together, as one club; a culture where we support one another and value being a part of our community; a culture that is built on hard work and combines winning, sportsmanship and exemplary conduct on and off the ice. A culture that values dedication, integrity, and teamwork as much as it does "winning."

2024-2025 was a great success both on and off the ice. We had great success on the ice, winning our third straight State Championship, as well as winning other league championships and multiple tournaments throughout our club. Our staple event, "Friday Night Lights," continues to be an incredible showcase of our players, families and community. The players also took part in multiple off-ice fundraisers to support the community, including Misericordia and Our Place, as well as others. Most importantly, I continue to see strong bonds developed within our program between players on all teams, this is what I love to see and defines the "One-Club" mentality we now have.

New Trier has built some of the most successful teams in Illinois. To play for New Trier is a badge of honor. The memories and friendships that our players develop last a lifetime. I will continue to work tirelessly to ensure each of you has an experience that you will cherish.

Sincerely,
Adam Cheris
Hockey Director

ADAM CHERIS
HOCKEY DIRECTOR & HEAD COACH

This is Adam's fourth year as New Trier Hockey Club Hockey Director and Head Coach for Varsity Green. In his first three seasons, he led NTG to two SHL Champions, three Illinois State Champions, and Nationals finalists and semifinalists. Prior to his position as Hockey Director, Adam was with NT Hockey for four seasons as Head Coach for Gray and JV and Assistant Coach for Green, White and JV2. He led his JV team to the Illinois State Championship Elite 8 and Gray to an IHSHL League Championship. Adam brings an abundance of coaching experience and "a culture that values dedication, integrity and teamwork as much as it does winning."

Growing up in Glencoe, Adam played youth hockey for the Winnetka Warriors. During his sophomore year, he played New Trier Blue before heading to Avon Old Farms in Avon, CT for prep school. He played DIII for four years at Skidmore College, NY. Adam has been coaching youth/travel hockey for the past 15 years and currently resides in Glencoe with his wife and children.

THANK YOU, PLAYERS AND FANS, FOR A WONDERFUL WINNING SEASON

Despite a hard-fought and determined effort throughout the season, NTG ultimately fell short in both the Scholastic Hockey League Championship and the State Championship, each time facing the formidable St. Viator. While the outcomes were not what the boys had hoped for, the special bond they formed is a testament to the resilience, character and brotherhood of this team.

SHL & STATE PIONS

With a dominant 2-0 win over Lake Forest, the Trevians captured the Scholastic Hockey League JV Championship, setting the tone for what was to come. They carried that momentum into the state title game, where they delivered a commanding 4-0 victory over Brother Rice to secure the first JV State Championship title since 2010. From start to finish, this team played with grit, discipline, and total commitment to one another. Two championships, zero doubt—an unforgettable season for New Trier JV1.

JACK,

It has been the most amazing ride with you! From the learn-to-skate instructor at Centennial warning us you would never learn to skate to winning the State Championship last year with your brother--you never give up! You are the most determined and the most undeterred! A total gamer--as one of your favorite coaches once described you. It has been an absolute delight to watch you grow as a hockey player, a teammate, a leader and an amazing young man. We wish you the all the best in your future endeavors. HEART OF THE TEAM

The Heart of the Team Award was established to honor Ellery Stern, a New Trier hockey player who tragically lost his life in a car accident. It recognizes a senior who stands out as an example of dedication, motivation, desire and courage. He is supportive of his teammates and reflects the overall values of the New Trier Hockey Club. This senior leads by example, pushing his teammates to be the best on the ice, as well as in the classroom and in life. This teammate is the proverbial glue that holds the family together.

JACK HIRSCHTRITT

DR. RICHARD RENN SCHOLASTIC & ACADEMIC EXCELLENCE

Dr. Richard Renn was one of many founders of the Winnetka and New Trier Hockey Club programs. He was very involved in the successful development of these programs as well as the health and safety of individual players. This award was established in recognition of his commitment to the New Trier Hockey Club and is given to the senior who has earned the highest academic achievement while at New Trier High School.

Lucas,
From Minor Mite to Senior Night, we are so proud of the player and person you've become. You've grown through every win, every loss, every bruise, and every laugh. We hope the memories you have made on the ice will last a lifetime.

While we will miss cheering you on from the stands, we won't miss that legendary rink stink! May your next chapter be filled with less time in the penalty box, more fresh air and even bigger adventures.

Congrats on an incredible run!

Love,

We are so proud of you, Oliver! Looking back to that Christmas when you got your first set of hockey gear and that first squirt team at Winnetka, we had no idea how hockey would transform your life and our lives. Whether it was the all day sessions at Watts or the backyard rink, hockey was a constant. We have loved watching all the wins, goals, and assists. And we have been so impressed with your resilience and determination to respond to the injuries and tough losses. What an incredible journey thus far and a lifetime of hockey ahead! Thank you, hockey!

LIGHTS

THE NEW TRIER HOCKEY CLUB CONTINUED ITS FUN FRIDAY NIGHT LIGHTS TRADITION THIS YEAR. THE EVENT BRINGS PLAYERS, COACHES, FAMILIES, AND THE COMMUNITY TOGETHER TO SUPPORT OUR TEAMS IN A PRIME-TIME FRIDAY NIGHT GAME. EACH TEAM WEARS A SHARED FNL UNIFORM TO REPRESENT THE NTHC. THE GAMES ARE ALSO AN OPPORTUNITY TO GIVE BACK, WITH RAFFLES BENEFITING MISERICORDIA, OUR PLACE OF NEW TRIER, AND ALEX PEGLER FUND.

2025-2026 ALUMNI GAME

The New Trier Hockey Club Alumni Game returned this fall, rekindling a valued tradition that had been on pause in recent years. Held on Wednesday, November 26, 2025, at North Shore Ice Arena, the event brought former players back together for a spirited and memorable evening on the ice.

The game reflected the enduring camaraderie and competitive spirit that defines the NTHC community. In a high-energy matchup, Team Green earned an 11-8 victory over Team White, capping off a night filled with connection, pride and a renewed commitment to sustaining this special alumni tradition for years to come.

This year, the New Trier Hockey Club continued its tradition of giving back to the community. During the holiday season, each team volunteered at Misericordia's Hearts & Flour Bakery, a program that provides meaningful work opportunities for individuals with developmental and physical disabilities. Our players assisted with baking, packaging, and shipping baked goods during the busy holiday season, helping to support a program that empowers residents with job skills and a sense of independence.

NEW TRIER HOCKEY CLUB GIVES BACK

Beyond Misericordia, our teams contributed to other important community and national initiatives. Players supported Our Place of New Trier, a local organization with a mission to help teens and adults with intellectual and developmental disabilities lead productive lives in their home community. Teams volunteered at the Our Place 5K Walk & Run, and NT Green supported their art program by donating supplies and raising money for their development fund. Our NT Green Goalie Max Reed participated on October Saves Goalie Challenge and raised just over \$1,000 for cancer research. Additionally, NT White helped support the New Trier Township Food Bank with a food drive delivering five trunk loads of groceries in December, NT Gray hosted a pink game in October for breast cancer research bringing in \$500, and our JV 1 team, in partnership with Loyola JV, raised \$2,700 in "the largest team fundraising effort achieved in the shortest amount of time" for the Susan G. Komen Foundation with a Pink Out game in October.

As we celebrated each team during Friday Night Lights, we also held many raffles and auctions. In addition to Misericordia and Our Place of New Trier, our hockey community continues to support the Alex Pegler Goal and Assist Fund, which helps bridge the gap for our families facing financial challenges. Our FNL efforts raised close to \$9,000 this season across all six teams to benefit these important causes.

A heartfelt thank you to everyone who participated in these efforts—your support makes a real difference!

Alex Pegler Memorial Goal and Assist Fund

“Playing hockey for New Trier had the greatest and most positive impact on my development as a youth. It was also the emotional bedrock that supported me through difficult times. I am grateful for what the experience did for me and I have always remembered that my participation was made possible by the generous financial contribution of an anonymous donor.”

PAUL BANKS
Former NTHC Player

Ice hockey is an expensive sport that places significant financial demands on every participant. There are families in every hockey community, including ours, who struggle with paying the fees required for their son to play the sport he loves. One of the objectives of the New Trier Hockey Club is to ensure that no player is ever prevented from playing on one of our teams because of financial hardship.

The Goal and Assist Fund was first established in 2011, through a generous donation by Paul Banks, a former New Trier Hockey player. In 2019, the fund was renamed to honor former player and coach, Alex Pegler, who tragically lost his life in October of 2018.

Goal and Assist Fund has helped bridge the gap for many families facing financial challenges, allowing their sons to begin or continue their New Trier hockey careers. Financial assistance provided through the Goal and Assist Fund is completely confidential and is tailored to each family’s unique situation and needs. The Goal and Assist Fund relies entirely on donations from our families and other members of our community to fulfill its mission. A contribution to the Goal and Assist Fund will help the hockey community, our Club, and possibly one of your son’s teammates.
