Coach Update:

- **Varsity**: Currently 12-2. 10th overall in the State, 2nd in the combined. Great leadership with players. Focus is on faceoffs; O/D zone; secondary D coverage; forcing 3v3 on the opposing F's. Better defensively with some changes. Best offensively in the state.
- **JV**: Currently 8-5. 18th overall in the state, 9th in the combined. Focus is on offense and forecheck. They had a lull in scoring and playmaking, but it was a great weekend.
- **JV2**: Currently 3-8-2, with 3-0-2 in the past 5 games. Silva has been doing a good job by bringing more structure to the team. Players are all in this year. Great talent this season.
- **Overall**: Growth across the board. Focus peaking at the end of the season, not during. Goaltending has been an improvement across the board.
- **Anything else?**: Reminder to all coaches that pucks are to stay on home ice. In away games, those teams are to supply pucks.
